

MADURAI SEED NOTES 2008-2009

Dear Friends and supporters,

We share you with heart full of satisfaction that we've done some changes, to be highly noticed, for the disadvantaged area's children and young people within ten years and during 2009-10, we could do some possible things with all of your contribution.

Some timely achievements of our SEED are:

The beneficiaries of MADURAI SEED are working in government jobs, schools, hospitals and even in abroad. The people, who were like sweet fruits, became a big tree that gives more fruits, benefits and give support to SEED are the only pain-relief medicines, to us those who stand and tackle all in the field. It's a pleasure thing.

Report 2008-2009.

Beneficiaries:-

- MADURAI SEED has 337 direct child beneficiaries and 30 young people beneficiaries. 337 children (Including 160 Regular children) take part in Journal, art, savings club activities. Totally, 236 families are the members in MADURAI SEED.

Scholarships:-

38 male children and 48 female children are given education kits. 12 male children, 13 female children are getting scholarships. 16 college boys and 3 college girls are given educational scholarships. We've made 9 school children and 1 college young person to have scholarship from "Honey well".

Facilities to children & young people:-

- Children and young people are facilitated with each Arangam (centre) for children and young people respectively and a library. Likewise, they have full amenities. They have also 2 open Arangams
- One computer, big size Television, C.D Player, 5 Tape Recorders, C.D.S. and thousands of books are in use.
- Honey well Institute has contributed 3 beautiful Racks. This is to be noted that a Swiss Book stall has given hundreds of books.

Small tours	69
Seminar	
Workshops	16
Trainings	90
Annual camp	01
Quarterly camp	01
Half yearly camp	01
Celebration	05
Special days	10

- Young people saved Rs.36, 000/- through young people Bank and shared that among themselves in a cyclical way.
- The children saved Rs.21, 899/- via Thenkoodu Children Savings Bank. In order to honor them, MADURAI SEED gave Rs.4, 379/-. It is to be noticed that 337 children are the members and 152 children are as self-desired people to save.
- Pudhuyugam grandly published 4 magazines and 500 people are its beneficiaries(2008-2009).
- Pudiya Velichangal published 3 magazines. 1500 people are its beneficiaries (2008-2009).
- By honoring MADURAI SEED's achievements, local T.V. Channels and daily newspapers like Dinamani (1 Time), Dinamalar (4 times) and The Hindu (one time) published our news and photos.
- MADURAI SEED functions for the children and young people with the kind relationship of 5 arts and science colleges, 5 Engineering colleges, one ITI Institution, 5 primary schools, 4 middle schools, 2 high schools and 9 higher-secondary schools.
- About 26 national visitors and 36 international visitors have visited MADURAI SEED in this year.
- In according to celebrate SEED 10th year completion, whole programmes conducted on between 17, February 2008 to 18 June 2009, were all very special programmes.

The Results in the beginning of eleventh year, 2009-2010:-

- VI to VIII std,-95 %, IX std,-77%, XI std,-100%
- The result of 10th std, is 80%. all students, written the 10th exams, are slow learners. Some people didn't even know how to write and read. 8 of them have failed in one or two subjects. Even though 14 of them are slow learners, They have showed a nice result. The girl who gets the first mark is Kaliseeshwari 363 out of 500. Among the 14, those who has written exams, 12 students are girls and 11 of the children are the first people to pass X standard from their families.
- Murugeshwari, who was attended "100 out of 100 in Science" conducted by Madurai seed, Scored 99 in science. What a sweet news is this! Maheshwari, influenced by SEED activities to give enthusiasm to non-SEED students, got 475 marks out of 500 (current SEED volunteer Vijay scored 475 before 5 years).

For the past 10 years, a girl has achieved high score. This is the most delightful news (particularly being in corporation school).

- In the new academic year, SEED has given helps for the 14 students' Higher secondary Admission. It is to be noted that they've taken groups such as Bio-Maths (1), pure science (1), Accounts (4) commerce (9), Arts (2) and Engineering (1) in government and government aided schools.
- In the twelfth standard, the progressive is about 86%. 13 students got aids and other helps from SEED. M.Thangalakshmi got the first mark of 1036 out of 1200. for the last 10 years, among all SEED girl children,. She is the only girl to score this high mark. The boy who got 1035/1200 is Saravana Kumar. He is the first boy to score this marks even in Bio-Maths. There is no doubt that these both achievements will make the upcoming students to score more than this.
- Out of 15, written the exam, 5 students got marks of 75%. Among them all, 9 students are the first graduate from their family and that is to be noted.

College Young people Details 2009-2010

S.No	Name	Subject:	Course	Year	Institute
